

www.australianmonitor.com.au (Australia)

Australian Monitor is owned by Audio Telex Communication Pty Ltd, who are arguably Australia's largest distributor of professional audio equipment in Australia and New Zealand. Under the Australian Monitor banner are the Australian Monitor Installation Series (AMIS) and the Australian Monitor Pro Series (AMPro). The Australian Monitor Installation Series would be one of the fastest growing audio contracting brands in the world today. The products are well priced, reliable and presented well. The range consist of mixer amplifiers, power amplifiers, mixers zone paging and speaker systems.
