

CAMCO

www.camcoaudio.com (Germany)

German power amplifier manufacturer CAMCO celebrates 25 years of success in the pro-audio industry. From its origins as a PA rental company, CAMCO has grown to be a world-class independent brand at the top end of the amplification market.

CAMCO is a manufacturer of high-end pro audio amplifiers, DSP- and audio network solutions, which have gained a worldwide reputation for transparent sonic performance, extreme power and ultra reliability. CAMCO is a fully independent company and is represented in more than 60 countries around the globe.
