Luci Della Ribalta better known around the world as LDR, was started in 1997 with the specific goal of supplying the theatre lighting market with good quality, nice looking, affordable products together with a fast, professional and friendly service to the customer.

LDR has established itself as a major supplier of theatrical and architectural spotlights, profiles, flood lights and follow spots. From its base in northern Italy, where it has its own design and assembly facilities, LDR supplies its dealers throughout the world with high performance and stylish luminaries, complemented by a full range of accessories.
