

SpeakerCraft®

www.speakercraft.com (UK)

Thirty years ago SpeakerCraft was formed by a group of dedicated individuals with a passion for sound. After inventing the in-wall speaker and manufacturing them for the most prominent companies in the business, they developed their own brand based on the ever-expanding need for quality sound in the home. Today, they are proud to be the largest supplier of custom installed audio/video products in the world having manufactured and sold millions of loudspeakers..
