Providing professional quality products at affordable prices is an ethic that has driven Zero 88 for 30 years. From the ground breaking Light master 601 launched in 1972 to the latest products available today. Zero 88 offers outstanding value for money. A combination of experience and innovation ensure Zero 88 products make the best use of the latest technology and materials. Zero 88 policy is to outsource the primary manufacturing processes such as metalwork, printed circuit boards, coils and transformers. Zero 88 has been able to benefit from their years of experience in their specialties. These benefits help Zero 88 deliver to you the highest quality manufacture product possible.
