Our Brands

ANCHOR WHITE TOOTHPASTE

Almost every dentist would agree that two ingredients are absolutely necessary in toothpaste to be effective for the vast majority of the population – fluoride and triclosan.

All variants of Anchor White offer comprehensive oral care.

It is the first Indian tooth paste to offer all round protection.

It is the first Tooth paste to be recognized by the Vegetarian Society of India.

It is approved by International Dental Health Foundation, London, U.K.

ANCHOR GEL

Anchor gel comes with a unique Germ fighter 'Anchor Grip Formula' containing active micro cleaners and a cool mouthwash.

It is available in different flavours:

Fresh Mint

Icy Mint

Lemon Mint

ANCHOR TOOTH BRUSH

The Anchor Tooth Brushes are made with state-of-the-art machinery boucherie of Belgium using DuPoint tynex high grade nylon bristles.

This meets DuPoints' exacting standards of toothbrush quality.

British dental health foundation specifically recognizes these toothbrushes as a useful aid in dental care.

Anchor offers comprehensive range of toothbrushes to suit the specific requirements of each member of the family.
