

The image features a central black rectangular logo with the text 'SARGENT ART' in white, serif, all-caps font. Each letter is separated by a thin vertical line of a different color: purple for 'S', yellow for 'A', red for 'R', blue for 'G', light blue for 'E', and orange for 'N'. Below the 'T' is a registered trademark symbol (®). The logo is set against a light gray horizontal band. Below this band, several thick, vertical drips of paint in various colors (green, red, pink, blue, purple, yellow, orange) are shown, some forming rounded puddles at the bottom. The background is white.

**S | A | R | G | E | N | T**

# Creative Craft® Multi-Purpose Paints

## Creative Craft® Paints

Creative Craft® Paint is an extremely versatile, thick, "no-drip" multi-purpose paint which peels from many non-porous surfaces and remains flexible when dry. This unique medium can even hold a 3-dimensional shape when several layers are applied and peeled up from non-porous surface like molds & plastics. Available in 16 oz. squeezable bottles.

### Versatile Creative Craft® Paints Can Be Used As:

- Thick finger paints & window paints.
- Regular craft paint if diluted slightly.
- Watercolor paints when heavily diluted.
- Temporary sticker paints. Moisten to reuse.
- 3-Dimensional flexible soft sculpture paints.
- Multi-surface paints. Sticks to most surfaces including many Styrofoam materials.
- Slow drying marbleizing & blending paints.

## Sculpt-It!™ Air - Hardening Sculpting Material

Available in White, and five new bright colors, this smooth, air-hardening sculpting material is ideal for freehand modeling and creating realistic sculptures. No kiln or heat baking required for drying. Dries to an almost ceramic hard surface with minimal shrinkage during the drying process. Can be moistened while pliable to encourage piece to piece adhesion, smoothing & blending and to avoid cracking, colors can be blended together to create new colors or unique marbling effects.

---

**6 piece - 6 Color Assortment**

**Item #22-2001**

---

**2 lbs. White Resealable Tub**

**Item #22-2000**

---

**10 lb. White Resealable Tub**

**Item #22-2003**

---

**150 Ct. Bulk Classroom Packets**

**Item #22-2099**

---

(Includes 150 Individually Wrapped 20g Cellophane Packets)

- Air - Hardening Sculpture Material which dries to a ceramic hard, extremely rigid surface.
- Excellent detail & smooth surface characteristics.
- Great for making jewelry, figurines or sculptures. Can be painted, drilled, or sanded after drying.
- Available in colors or white. Non-Toxic.
